Crema Al Caffe

A true and authentic Italian treat, typically sold throughout the year in espresso bars and cafes all over Italy.

We have developed this special recipe crema mix to be easily mixed and served in machines directly imported from Italy.

This powder mix can be made with water or milk and of course our freshly prepared espresso coffee.

With this café indulgence product it has the flexibility to work with your business:

- Use as luxury alternative to iced coffee
- Make desserts from it
- Use it in espresso martinis
- Use it for decadent and easy to prepare thick shakes
